

We are preparing for another season of indoor flying at the Westbrook Dome. Below you will find the schedule and information regarding session fees. Once again we will be offering a full season membership price of \$140 for adults and \$70 for juniors (18 and under). Adults save \$20 and juniors \$10 and this will help give us a head start on paying for the facility.

If you have any questions please stop by the store or give me a call 613-389-4878.

Hope to see you on November 18th,

Mike
